2	Starting July 1	6-8 am & 8-10 pm	No Watering	Even Address	Odd Address	No Watering	No Watering	Even Address	Odd Address

Mainroad Ditch and Roadside Clearing

With the wet weather there are many intersections in the community that have obstructed views. I have reached out to my MoT contacts and I have been informed that if any of the area residents have concerns regarding obstructed views at intersections to please call the

Mainroad Hotline 1-877-215-7122.

Doing so will create a log file and ensure the matter is expedited to the appropriate manager for action.

Public Hearings and Open Houses

On **July 10th** starting at **6:00 pm** there will be a public hearing to receive feedback from the community regarding potential Short Term Rental bylaws and zoning. This public hearing will be held at the **Oyster Bay Resort 4357 South Island hwy.** As short term rentals are a hot topic make sure you mark your calendar for this one.

On **July 23rd** between the hours of **5pm - 7pm** there will be an open house and presentation by the Comox Strathcona Solid Waste Management. I do not have much in the way of information on this event however I am sure there will be opportunities for those who attend to provide the Solid waste team with your comments regarding garbage and recycling services in the community. This event will be at the **Ocean Resort 4384 South Island Hwy.**

And finally the City of Campbell River will be putting on their Canada Day celebrations and they promised that this years fireworks show will be spectacular.

Have a safe long weekend!
